

产品型号	CT221001				
额定输入	1A	5A	5A	10A	10A
额定输出	2.5mA	2mA	2.5mA	5mA	10mA
推荐负载	40Ω	200Ω	200Ω	100Ω	200Ω
精度等级	0.1	0.1	0.1	0.1	0.1
外形尺寸	 The technical drawing shows two views of the CT221001 device. The front view on the left is a semi-circular component with a width of 18.2 and a height of 20. It features a central circular hole with a diameter of Ø4.5 and two mounting pins at the base, each with a height of 3.5. The top view on the right is a rectangular component with a width of 18.2 and a height of 10.2. It has two circular holes, one with a diameter of Ø0.8, and a distance of 13 between the centers of the two holes.
