| 外形尺寸 |  <p>The technical drawing illustrates the physical dimensions of the CH951003 device. It includes three views: a front view, a side view, and a bottom view. The front view shows a circular top with a diameter of 42mm (indicated as <math>\phi 42</math>) and an inner circular feature with a diameter of 21mm (indicated as <math>\phi 21</math>). Below the circle are two square buttons labeled 'OFS' and 'GIN', each with a '+' symbol. Further down is a rectangular area with four small squares and the label '+ - MG'. The overall width of the front view is 60mm, and the height from the base to the top of the circular part is 40mm. The side view shows a total height of 61mm and a width of 16mm. The bottom view shows a width of 50mm and a depth of 7.5mm. A small dimension of 8mm is also indicated on the right side of the front view.</p> |                    |                    |
